

# *Abundant Love*

*by James Gatt*

Here I am  
With my saviour  
In His grace  
In His unending ways  
Here I am  
In His abundant Love

Rest my fears  
On my conqueror  
In His strength  
His ever-loving ways  
Put my trust in His abundant love

My Father I am Your son  
My Father to You I run  
To Your abundant love

In You I find my rest, my home  
My hope I place in You alone  
Refuge for my heart is found  
Is found in You
