

# *Coming Home*

*by Clive Falzon*

I'm coming home  
Where I belong  
Safe in your arms

I'm back on my knees  
My heart at your feet  
Poured out for you

Oh I come now, I'm coming home  
Amazing grace, amazing grace

God of mercy, unrelenting  
You seek me, You've found me  
Oh so loving, never failing  
You father me, you father me

I lay it all down  
My failings, my shame  
A heart so astray

I'm turning my gaze  
To the One who saves  
My refuge and strength

Oh I come now, I'm coming home  
Amazing grace, amazing grace

You'll never leave me, nor forsake me  
I am your child, I am Your child

Oh come to me, come to me  
Find rest my beloved

*this is grace*
