

# FILL MY LIFE

by Clive Falzon

Here I stand, here I pray  
Thirsty for your presence here  
I need your strength, need your joy  
Oh Spirit sustain me now

Come fill my life, my God  
Fill my heart, my soul  
Holy Spirit stir my heart again

Shed your light, lead the way  
Walk me through this path you set for me  
Your living water, a blazing fire  
Holy Spirit I desire

My heart is open  
Come fire burn within

Come fill my life, my God  
Fill my heart, my soul  
Holy Spirit stir my heart again

Spirit rain down, Spirit rain down  
Let Your Glory fill this place  
Heaven come down, heaven come down  
Holy, Holy, Holy

Come fire burn,  
Spirit of the living God stir my heart again
