

King of Heaven

by James Gatt

King of Heaven
Ruler of nations
Victorious, You're Glorious

King of Heaven
We bow down
To your wonder
Of love, oh love divine

We lift up our hands
To you alone
Lover of my heart
Saviour of my soul

Sovereign healer
Mighty in power
Your mercy delivers us

Abba Father
We cry out
We worship
The one, the one most high

It's you we glorify,
You are, our heavenly king,
Our humble Lord
Oh, Oh, Oh
You're the Saviour of my soul

this is grace
