

# KING OF HEAVEN

by James Gatt

King of Heaven  
Ruler of nations  
Victorious, You're Glorious

King of Heaven  
We bow down  
To your wonder  
Of love, oh love divine

We lift up our hands  
To you alone  
Lover of my heart  
Saviour of my soul

Sovereign healer  
Mighty in power  
Your mercy delivers us

Abba Father  
We cry out  
We worship  
The one, the one most high

It's you we glorify,  
You are, our heavenly king,  
Our humble Lord  
Oh, Oh, Oh  
You're the Saviour of my soul
